REQUEST FOR CERTIFICATE OF CORRECTION

Dear Sir:

The Assignee of record of the above-identified patent, EMD Lexigen Research Center Corporation, by virtue of an assignment recorded in the U.S. Patent and Trademark Office (USPTO) on April 9, 2004, at Reel No. 015192, Frame No. 0291, hereby requests that a Certificate of Correction be issued for U.S. Patent No. 7,091,321 under 35 U.S.C. § 254 and 37 C.F.R. § 1.322.

The Assignee respectfully requests that the correction issue which appears on the enclosed Certificate of Correction. As issued, claim 10 reads "CD₄" rather than "CD4." The Assignee believes the USPTO inadvertently erred as the number "4" is presented in normal font and not as a subscript in the Request for Continued Examination filed September 28, 2004.

The Assignee believes no fee is necessitated by this Request for a Certificate of Correction as the error apparently arose due to a USPTO mistake. If a fee is nevertheless due for this submission, the Director is authorized to charge Attorney's Deposit Account No. 50-1721.

DEC 11 2006

The USPTO is invited to call the undersigned attorney with any questions concerning submission of this paper.

Respectfully submitted,

Date: December 1, 2006
Reg. No. 58,175
